

# **FISCAL NOTE**

## **SB 2890 - HB 2843**

February 22, 2002

**SUMMARY OF BILL:** Deletes the definition of *State certification commission* from current statute (TCA 49-5-5003).

### **ESTIMATED FISCAL IMPACT:**

**MINIMAL**

The State Certification Commission was created by TCA 49-5-5101, which has since been repealed. Since the definition refers to a body no longer in existence, eliminating the definition would not change the substance of existing law.

### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
